

TBN MEETS GENELLE

This month we are introducing our new TBN UK channel manager, **Genelle Aldred**. With Leon Schoeman moving to the U.S. as a TBN regional director, Genelle will be overseeing the TBN UK network, and will be a regular host of **Partner Time (Mondays at 7:30 p.m.)** and **TBN Meets (Wednesdays at 7:30p.m. and Thursdays at 7 p.m.)**.

HI TBN FAMILY. I am so excited to be joining the awesome team at TBN UK and the wider TBN family.

I have spent over ten years working in media, mainly because I love sharing amazing stories. Spreading the good news of Jesus is the work of every believer, and to be able to play a part in that through media is such a blessing.

Richard Fleming and Leon Schoeman have been doing great work at TBN UK since its launch in 2015. The foundation that has been set is solid, and to be able to carry on and help expand the vision of TBN UK is an honour for me.

What excites me about the TBN UK team is that although they've been doing such amazing work, every member is ready to keep pushing on to see what we're able to achieve next with God. That urgency to spread the Gospel further and wider inspires me.

Our goal is to reach even more homes with TBN UK's life-changing content, to bring hope and healing to those in need, and to continue taking inspiration and encouragement to the body of Christ throughout the UK and beyond.

I've been around church all my life. My father was a pastor as I was growing up,

and I am so thankful for the difference that faith in God has made in every area of my life. It has given me hope, joy, peace, and a deep desire to take His love to others.

I'm passionate to ensure that more people than ever will get to experience the hope and grace of Jesus because of the outreach of TBN UK.

As always, thank you for your prayers and partnership. You are a vital part of all we do. Together let's believe for an incredible move of God in this next season for TBN UK. In partnering with Him — all things are possible!

BEHIND THE SCENES

International Women's Day

To celebrate International Women's Day, we spoke to some of the women from both in front of and behind the cameras at TBN UK and asked them the following question:

Who or what inspires you
to serve God?

When I started in leadership, there wasn't many women leaders around to show me the way. I just obeyed the next step that God had for me and doors started to open. Obedience leads to fruitfulness.

I love being part of a team that makes hope-filled and inspiring content that reaches people where they are at.

The bravery shown by female leaders like Christy Wimber has, along with that of supportive men, been very inspiring.

A woman who I deeply admire is Baroness Floella Benjamin. She champions children and women's rights as well as a host of other issues and does so with such passion and authority.

Angela, TBN UK Finance Controller

I'm inspired to pour out my love for finance into God's kingdom and combine that with biblical principles in my daily life.

A portrait of Cynthia Garrett, a woman with curly hair, smiling. She is wearing a black top and a lanyard. A red Elmo puppet is visible next to her.

I would watch Joyce Meyer and Marilyn Hickey and I knew they were feeding the women watching something true.
