‘Walking Like Jesus’ is not just the name of our ministry, but it is our core ethos. We want to see a generation that walks in their God-given identity. We can only truly see revival in our churches, towns, and cities once we ourselves have been revived!

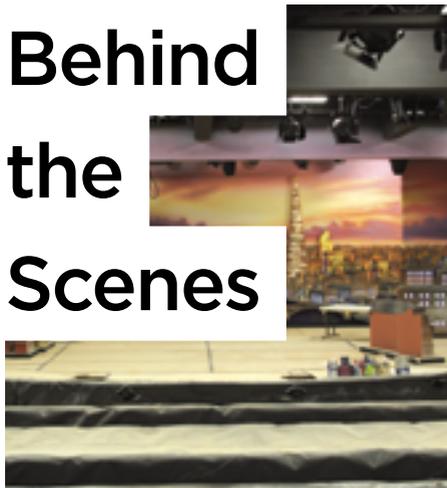

The heartbeat of our ministry is to see the UK restored to Christ and people living lives on fire for God. As we travel extensively across the country, we have seen many unprecedented signs and wonders, as the Gospel has been preached throughout the nation. And guess what? God wants to use you! I’m pleased to join you for a second series of **TBN Presents: Daniel Chand**, helping empower you to rise to your identity, walk in the supernatural, and share the Gospel of Jesus Christ.

This new series consists of dynamic preaching on topics such as supernatural evangelism and living a life of love and power. Each episode is packed with divine revelation on what God has personally revealed to me, and my prayer is that viewers will be deeply impacted by every word that is spoken. I’m looking forward to hearing reports and testimonies of many of you who have been encouraged by the broadcasts.

I really honour the whole team at TBN UK for the opportunity to share what God has laid on my heart. They have allowed me to be myself and it has been a pleasure working with them all. From our previous programmes, we had a large number of testimonial reports as viewers have been healed, impacted, and edified in their journey with Christ. Don’t miss the new series. During the filming, I sensed the anointing of the Holy Spirit very strongly, which brought a prophetic edge within each episode. I enjoy preaching and praying for viewers, and I believe many are going to be touched by God.

It was a privilege to be part of the Advent series on TBN UK. I really enjoyed filming Advent messages at Christmas. It was a special time to share God’s unending love and the call for evangelism during the festive season. My wife Tanya will also be airing her devotionals in this year’s TBN UK Lent series, which will bring great inspiration and encouragement to viewers.

Behind the Scenes

Last month we celebrated the fifth anniversary of TBN UK's miraculous launch on Freeview, making us the UK's first ever nationwide 24-hour Christian television network on free-to-air television. We're truly in awe at what God has accomplished through TBN UK over the past five years, with hundreds of congregations and ministries coming alongside us, and untold thousands of viewers dedicated to prayer and partnership with TBN UK.

With our recent move to a new Freeview provider, if you are having problems receiving TBN UK on Channel 65, visit us online at tbnuk.org/watch for answers to some Frequently Asked Questions. Please note:

- When retuning, try a “full retune” — sometimes called a “first-time installation,” “factory reset,” or “default settings.”
- In order to view Channel 65, you will also need to receive BBC1HD on Freeview Channel 101, since that is broadcast from the same source.
- If you are unable to receive any of the HD channels, Freeview HD set-top boxes are available to plug into your television so that you can continue using your current equipment.
- For help with any of the above, you can contact Freeview on 03456 505050 or visit the Freeview website for helpful videos and guides: freeview.co.uk

TESTIMONIES

Dear TBN UK: I would like to say a big thank you for your great programmes. I am now a born-again Christian. I am also in church, which I thought would never happen. I want to say a big thank you for the Recovery Course. I had a very bad gambling addiction, which left me worried most nights after watching these programmes. They made me face up to reality. I have now given up gambling and am sorting out my finances. I am feeling much better and very positive, thanks to your amazing programmes!
