

JESUS IN JANUARY

THIS MONTH'S featured programmer is Sue Owen, senior pastor of Destiny Church Glasgow and host of the daily devotional *Pray Together*, which **airs** on TBN UK weekdays at 8:27 a.m., 1:27 p.m., and 8:55 p.m., Saturdays at 6:57 a.m., 3:57 p.m., and 7:27 p.m., and Sunday at 8:57 a.m., 2:27 p.m., and 7:27 p.m.

January is the month when many people make their annual "New Year's resolution" — resolving to stick to that diet, or to conquer some imposing habit they've been battling for years. I've been there myself, beginning on January 1st with the best of intentions, only to set it all aside in a few short weeks. But as Psalm 1 assures us, in whatever we set our hands and hearts to accomplish, God will step alongside to give us His victory.

This is the theme in January for our *Pray Together* series on TBN UK. These two-minute daily devotionals are designed to touch every season and stage of our spiritual journey. We search the bible in faith for counsel on each of life's challenges. Every day we take a fresh portion of scripture and look into the truths that empower us for change.

During recent programmes we've prayed into such issues as loneliness and isolation, illness, angry neighbours, our daily work and more. Each day we discover new insights in God's word.

We warmly invite your requests as we produce *Pray Together*, and as you reach in for your free booklet through our social media platforms, or by postal and email messages.

I value this great privilege to partner with the TBN UK team as we introduce many to a living faith in Jesus. I absolutely love to strengthen and equip believers to experience all that God has planned for us.

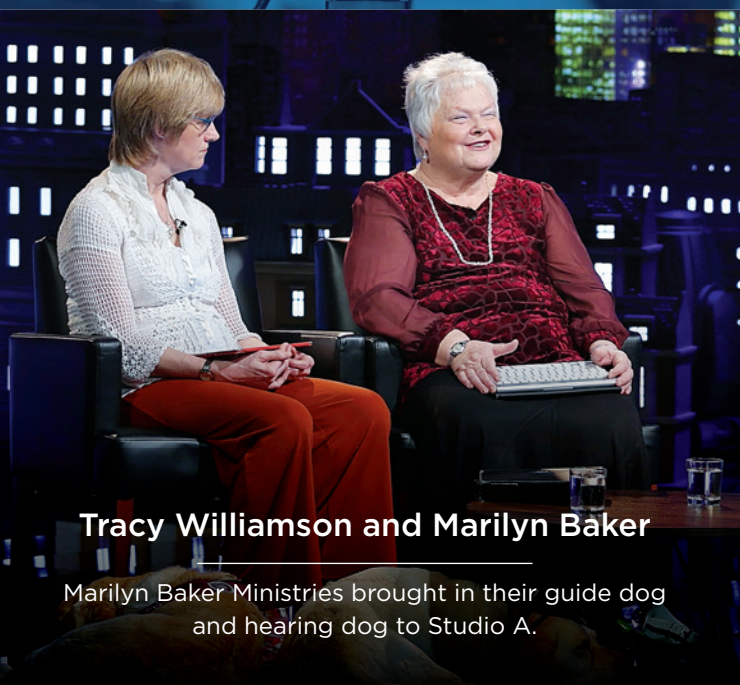

I personally look forward to meeting with you daily on *Pray Together*, as we share the truth of God's life changing word.

Dear TBN UK: Since I started watching your channel, my life has been transformed. I was a real sinner and with several suicide attempts. I then started watching TBN UK. With your presenters' help, I started to pray for the first time in many years. God has helped me rebuild family links and I now have regular family visits. Your channel has inspired me to change my life for a peaceful and productive life with a future. Thank you. – **Martin**

Thanks again for your partnership, and may God bless you and yours throughout the year ahead.
