

This month we feature Pastors Matthew and Becky Murray, leaders of Renew Church in Uttoxeter. Matthew and Becky are the founders of the missions organisation One By One, and host **Into All the World**, an exciting new TBN UK series that introduces viewers to global missions and the importance of taking the Good News across the earth. **Into All the World** airs Wednesdays at 7 p.m., and repeats Thursdays at 11 p.m. and Fridays at 10:30 a.m. You can also catch up with another of Becky Murray's TBN UK series, **Embrace the Journey**, at www.tbnuk.org/VOD.

It was a simple street girl in the West African nation of Sierra Leone who changed our lives forever. The first time we met her, nine-year-old Felicity wrongly assumed that we were offering her a pair of shoes in return for sexual favours. It was a shocking moment that saddened us—and spurred us on to do more for the cause of Christ!

Because of that God-appointed encounter, today our missions outreach One By One has a children's home in Kenya where our weekly Sunday school attendance can sometimes reach 10,000 children. Our second home in Pakistan will open this spring, and the Dignity Project—which provides girls at risk from human trafficking with practical help and guidance—has spread beyond Kenya into Sierra Leone, South Africa, and Pakistan, and is making its way to India and Brazil.

This year tens of thousands of people will be impacted for Christ through One By One—but it all started that day when God introduced us to Felicity.

The Bible tells us not to despise the day of small beginnings, and we have seen how one encounter and one simple act of kindness in the Name of Jesus can not only change somebody else's world, but can deeply impact our own world as well.

That's the purpose of our new TBN UK series **Into All the World**. Each week you will learn the importance of taking Christ to your neighbours—and to the nations. You'll be inspired to impact your world with the love of Jesus.

Of course, we could not do what we do without the support of TBN UK, where we are being encouraged to go "into all the world" and obey the Great Commission.
