

FIND FREEDOM WITH JESUS!

This month we hear from Gary and Heather Snowzell, the senior pastors at Freedom Church, a multi-site congregation based in the UK but spread across Africa and Asia, and soon to be moving into North America. Freedom Church broadcasts on TBN UK every Sunday at 10:30 a.m. repeated on Fridays at 10:05 a.m.

Beginning with our launch over 30 years ago, Freedom Church has grown extensively in the last ten years as we have planted works worldwide. We began in a small market town with just six people, and while we had a lot of challenges along the way, those experiences have helped shape us for God's glory.

The early years were where God unlocked the passion and determination deep within us. We had to contend for all God had in store, but we never stopped believing that He could use us. We crossed the church over into a bigger city (Hereford, UK) in 2006 and re-focused our efforts on reaching the next generation in our city and beyond. The next few years were catalytic!

From that momentum we started planting congregations in 2011, and were one of the first UK-based churches to adopt video messaging. We still had vision for more though, and we began partnering with TBN UK to expand the impact of what was already happening.

Having a presence on TBN UK has amplified the impact of the life-changing teaching God has given us, taking it far beyond the walls of our church. Every

week we hear from people impacted by the messages they receive from us through TBN UK.

This year we began a powerful series all about mental health. It's a huge topic and one that so many people have never heard God's perspective on. We received an incredible response, culminating in a week of ministry during which multitudes of people were set free, healed, and empowered!

"I always thought that I was the only person who thought 'run' when faced with a stressful and anxious situation. I realised as I watched Freedom Church that I was not alone."

— Shona, TBN UK viewer

If it had not been for TBN UK on Freeview I would not be here to testify that God does forgive, restore and deliver. I was in prison and God came to see me. May God bless this station and continue to provide and sustain you to reach many more like me - **Ian**
