

BIG CHURCH DAY OUT

A new season of **Big Church Day Out**, the largest Christian worship festival in Europe, premieres on TBN UK this October every Friday at 7:30 p.m., repeating on Saturday at Midnight and 5 p.m. We caught up with some of the TBN UK team to hear about their experiences covering this year's BCDO event and their most memorable moments. Check it out!

"Each year our interview set brings something different. This season we included more fun and games, so it was exciting to follow the action as it unfolded. I think the viewers will find this new format really entertaining. Watch out for Tauren Wells!"

— **Mark**, Director

"My highlight from filming the **Big Church Day Out** main stage was seeing Sinach's set. She has such an anointing and the atmosphere of worship really changed when she came on stage. It released something special that seemed to impact everyone."

— **Maria**, Motion Graphics Designer

"It was great fun recording all the excitement when the Watoto Children's Choir smashed the top score in our basketball game, with a whole group of them participating at the same time. I don't think anybody on the main stage was as loud!"

— **Andrew**, Audio Engineer

"We had a fun time giving out TBN UK mugs for our social media challenge, and I enjoyed engaging with people about what they watch on TBN UK and hearing their testimonies. Also, it was interesting capturing all the action for our Instagram stories."

— **Rachael**, Social Media Manager

"It was a blessing for all the TBN UK staff, external crew, and ministries to work as one big team to film this series. It was a privilege to make sure all our members were well looked after during the long hours they put in making these programmes."

— **David**, Production Manager

This year we were able to film all aspects of Big Church Day Out, from Main Stage to Tom's Stage, interviewing the artists and having fun with the basketball game. There really is something for everyone, and you'll finish watching these episodes with a smile on your face!

— **Emily**, Producer

We love seeing the church unite to worship Jesus at events like **Big Church Day Out**, and in bringing great programmes like this to every home across the United Kingdom through TBN UK.
