A MESSAGE FROM RICHARD FLEMING

Dear TBN UK Family

I started this year on our weekly **Partner Time** programme by looking at God's vision, His destiny, His plans, and His purposes for our lives, communicated in Ephesians 2:10. As the year developed and we faced the challenges of the coronavirus, this same verse became an example of God's providential care for us, His divine foresight, His divine precaution, and His divine provision. God has been with us all along - He is not fazed by Covid-19.

Opportunity is abounding everywhere. The Christian community is rising up in prayer, ministers are sending out messages of hope, and people are coming to Christian television because they are sick of the fear being propagated every five minutes on many other channels.

There's a growing understanding that God has ordained this time and season for TBN UK to be multiplied and lifted up in the midst of this global pandemic. Partners, your donations are a significant part of

that for which we honour you. We give praise and thanks to God for each one of you, for your financial partnership, and for your prayers for TBN UK. We give praise and thanks to God for the significant reduction in our airtime costs in 2020 through changing Freeview providers, for resourcing over eight million minutes of our online live stream watched so far, and for propelling TBN UK into a higher level of programming - connecting us with more UK ministries and sponsors.

It's amazing to me how the Holy Spirit knits us together in the vision and purpose He has ordained for the proclamation of the good news regarding salvation and discipleship on terrestrial and satellite TV to the United Kingdom.

From all of us here at TBN UK, we wish you and your loved ones a very happy Christmas,

Richard and the TBN UK Team

The Coming King

This Christmas may be looking very different for people this year. However, we have a wonderful hope as Christians that there is one God, Jesus, Who remains the same yesterday, today, and forever.

Christmas simply would not exist as we know it without Jesus. He came to the earth over two thousand years ago in all humility, wrapped in swathing bands and laid in a manger, to grow, mature, and become the most influential human being who ever walked this planet.

But Jesus is not just a great man and a profound teacher. He is the Son of God, born to free us from sin and make us children of God, our Father in heaven. After His death on the cross, Jesus broke the chains of sin and death, rose victorious from the grave, and ascended to the right hand of God the Father.

It is foretold in biblical prophecies that He will come back to earth on the clouds, to call up together all who believe in Him. So, you see, we certainly do have something to celebrate this Christmas season — whatever our circumstances.

T - Thank you Lord, for Christmas time

H - Heaven celebrates, bells chime

E - Emmanuel, God with us

C - Candles for the Light of the World

O - Offering a lamb, shepherds unfurled

M - Magi travelled night and day

I - In a manger, King in the hay

N - Not a prophecy was ever missed

G - Glowing bright that star night kissed

K - Know we can lay down our strife

I - In Jesus' death and resurrection, we find life

N - Neighbours far and wide must hear

G - Get ready, Jesus' return is near

Behind The Scenes

You Can Pray With Confidence and Authority!

Many people have questions about prayer: Is it my Christian duty? Are God's answers to my prayers based on my humility and sincerity? Is answered prayer a sovereign decision of God or do I have the ability to influence Him? **In A Better Way to Pray**, Pastor Andrew Wommack shares some important truths about prayer, and shows how you can come boldly to God and expect answers to all you are asking.

TESTIMONIES

The music and worship are amazing. I believe the Lord speaks to our hearts through music and song. You are meeting the needs of everyone, whether young or old, in all the teaching, variety of programmes and worship. I love the surprises that I find when I can switch on and so look forward to what you will have on leading up to Christmas.
